Subject: Conditional Approval of Amendment to Notice of Intention, Interstate Brick Company, Five Mile Pass Mine, M/045/006, Tooele County, Utah

Dear Mr. Hewitt:

The Division has completed our review of your amended Notice of Intention to Commence Large Mining Operations for the Five Mile Pass Mine, located in Tooele County, Utah, which was received October 17, 2003. We have no further comment and we are prepared to grant our approval of this amended plan.

However, before issuing final approval, you will need to submit replacement pages for the redline and strikeout text pages, so we can see that the approved changes to the text and maps have been properly made. Please submit two copies of the complete and corrected plan. After these two copies have been checked and verified, we will stamp them "approved" and return one stamped copy to you for your records, along with an approval letter.

We appreciate the efforts you have made to finalize this permit action. If you have any questions in this regard, please contact me at 538-5286 or Tom Munson at 538-5321.

Sincerely,

D. Wayne Hedberg
